I understand that all potential recipients of scholarships shall submit a report to the Christian Education Committee that shares their experience and acknowledges the opportunity and gift from the St. Andrews' congregation. This report, which may be written or oral, shall be used to help promote and encourage future participants. Distribution or sharing of the report with the congregation will be at the discretion of the Christian Education Committee.

Written reports are to be completed and put in the Christian Education mailbox within thirty days of completion of event. Oral reports are to be made at the next regular Christian Education Committee meeting.
