Good Neighbor

Verse 1

We may not look the same
Ya we might talk different too
Got a long, long list of differences
Between me and you
Different colors different stories
Even different politics
But He's calling us now to lay it all down
Get back to the heart of it

Chorus

And be a good good good good good neighbor
Learn to love each other with the love of the
Savior
Make room at the table
And share the hope that we got
And be a good good good neighbor
And show the world we got a good God

Verse 2

I've read the good book
Every word in black and red
But is my faith alive if I live my life
And I don't do what it says
Love your God with all your heart and soul
Love your neighbor as yourself
And be Jesus to a broken world
That's crying out for help

Bridge

There's room for everybody in the family of God
There's room for everybody in the family of God
Make room at the table share the hope that we got
'Cause there's room for everybody
In the family of God
In the family of God

The Lord's Prayer (It's Yours)

Verse

Father let your kingdom come (holy holy)
Father let your will be done
On Earth as in Heaven (let it be done)
Right here in my heart

Chorus

Give us this day our daily bread
Forgive us forgive us
As we forgive the ones who sinned
Against us forgive them
And lead us not into temptation
But deliver us from the evil one
Let your kingdom come

Bridge

It's yours it's yours
All yours all yours
The kingdom the power
The glory are yours

It's yours it's yours

All yours all yours
Forever and ever
The kingdom is yours

Stand In Your Love

Verse 1

When darkness tries to roll over my bones
When sorrow comes to steal the joy I own
When brokenness and pain is all I know
I won't be shaken I won't be shaken

Chorus

My fear doesn't stand a chance
When I stand in Your love
(REPEAT)

Verse 2

Shame no longer has a place to hide
I am not a captive to the lies
I'm not afraid to leave my past behind
I won't be shaken I won't be shaken

Bridge

There's power that can break off every chain
There's power that can empty out a grave
There's resurrection power that can save
There's power in Your name power in Your name
